

College of Engineering Learning Community Roommate Request Form

****Roommate Requests**

Insofar as possible and as space permits, every effort is made to honor requests for a specific roommate. **Roommate requests must be mutual and all roommates must have completed Housing and Learning Community applications at the time the housing assignment is made.** You must include the correct student's ID number and name in the spaces provided. **Roommate choice must be a member of the College of Engineering Freshman Learning Community.** The University will not accommodate roommate requests based upon a preference of a certain race, age, religion, sexual orientation, national origin, or different ability.

For your request to be honored we MUST have a roommate request from all involved parties; every attempt will be made to fulfill your request, however we cannot guarantee placement.
