Christopher Coutinho
President and CEO
Paystar Logistics

Mr. Christopher Coutinho is the President and CEO of Paystar Logistics. He was born in Germany, grew up in Canada, and runs companies in the USA.

Over last 25 years he has helped co-found and manage a number of corporations ranging from a \$20 million nation wide house painting company, to the hi tech world of a dot com start up, and then to the mysterious world of logistics.

Mr. Coutinho has consulted to various corporations ranging from a successful private jet charter firm, to a rapidly growing \$50 million land development company, as well as conducted in house lectures, seminars and corporate trainings.

He is an avid soccer player and coach - playing in 2 leagues, coaching in another and sitting on the board of the North Meck Soccer Club. He was instrumental in helping the club secure an exclusive US Soccer Development Academy.

Mr. Coutinho brings to the table a unique blend of leadership, broad based, hands on, real live entrepreneurial experience and comic perspective.
