Natural Gas Supply Chain Management

Fred D' Ambrosio
Marketing Manager
Amerada Hess

Fred D' Ambrosio is the marketing manager for an energy services firm, Amerada Hess (formerly EnLine Energy Solutions), in Charlotte. A civil engineering graduate of the Citadel he obtained his M.S. degree in engineering from the University of Texas in Austin. He worked six years in consulting engineering before joining Mobil Oil in 1979. While at Mobil he worked in several positions in the downstream end of the energy business eventually becoming part of the natural gas unit formed in 1985 to take advantage of deregulation. He worked at Enron twice for a total of 5 years, 1992 - 1995 in Houston during the transition from a natural gas pipeline to an energy merchant and 1999 – 2001 in India on a natural gas pipeline development project. He is currently a part-time graduate student at UNCC in the Engineering Management Program.
