Labor Planning and Management Issues in the Supermarket Industry

Bill Rhyne
Director, Industrial Engineering
Harris Teeter, Inc.

Bill Rhyne is the Director of Industrial Engineering for Harris Teeter, Inc and has organized the implementation of engineered labor standards throughout the retail division of Harris Teeter. He also manages all Industrial Engineering functions for Harris Teeter's distribution facilities and Hunter Farms Dairy. Prior to Harris Teeter, Bill was with Shaw Industries in various capacities including Plant Industrial Engineer, Division Industrial Engineer, and Distribution Center Manager. Bill was also Director of Industrial and Safety Engineering for New Breed Corporation, a government contracting and consulting company. Bill earned a BS degree in Mathematics from Lenoir-Rhyne College, a Master's degree in Industrial and Manufacturing Engineering from Georgia Tech, and is a Senior Member of the Institute of Industrial Engineers.
