Siemens manufactures turbine-generators for power plants, whether for coal, nuclear, or gas plants. They are located in South-West Charlotte; very close to I-77 and I-485.

Directions:

- Maps and driving directions are provided on the next 2 pages.
- Drive in the Visitor's Entrance, and park in the spaces provided.
- Walk to the double-doors that connect the sidewalk to the factory.
- Sign in with the guard.
- Watch the safety video and read the safety brochures while waiting.

Dress:

- Closed toe, hard soled shoes **Absolutely NO TENNIS SHOES!**
No tennis shoes, sneakers, sandals, or open toed shoes, etc.
Everyone must have hard sole shoes due to the machining chips and other hazards.
This is Siemens' rule, and they have no problem to prohibit you from touring.
- Long Pants

Other Safety Items:

- Wear safety glasses at all times while in the plant. (we will provide)
- Stay with the guide. It is noisy and you might miss important information.
- Stay on the red aisles, or within the yellow lines.
- See the safety video on the laptop in the lobby.
- Read the safety brochures in the lobby.
- Stay away from any moving cranes.
- Watch out for Fork Trucks. Don't assume they see you.

NO TENNIS SHOES!
NO SNEAKERS!
NO SANDALS!

If you wear these shoes you cannot tour the plant, and you will have to sit in the guard's office.
